The Observatory maintains two vital wetland habitats known as 'scrapes'. Restharrow Scrape, with its easy access hide, is a short distance from the Field Centre. By joining SBBOT's **200 Club** you will be contributing to the running costs of these important wetlands.

An annual cost of £12 buys ONE number that will be entered into the draw every month. Currently, cash prizes of £30, £20, £10, and 2 x £5 are drawn on the first Thursday of each month (January to November). In December the prize money increases to £100, £75, £50 and 2 x £25.

Remember, greater participation results in larger prizes!

If you would like to support this scheme then please fill in the form below and return it to Keith Ellis (Treasurer) at the Field Centre Office.

*Thank you and good luck!*
